Teaching at DPPG, B K School of Professional and Management Studies has been a great experience that I would ever be grateful for. I thoroughly enjoyed teaching by making use of varied learning techniques. I personally received positive support from everyone be it the administration, faculties or the students. I liked students' fervour and perseverance for they participated actively in the class.

SONALI RAMCHANDANI (DPPG FACULTY)

It is a great privilege for me to be part of the DPPG Faculty. I strongly believe that the philosophy and the aims of DPPG are really high and future centric, and I especially enjoy in the great interaction with the students. I can say that we always learn from them, and receive insights on how we should improve and towards where we should direct our teaching effort, as mentors. Moreover DPPG is always expanding with new ideas and educational opportunities.

SUVI JAIN (DPPG FACULTY)

BK School is work friendly platform for faculty. All the things are well managed and pre scheduled to avoid last minute. Students are keen to learn that makes faculty motivated and work harder.

It is the great opportunity to be a part of this institute.

I wish BK School reaches greater height!
